YONSEI CANCER CENTER

Preceptorship at the Yonsei Cancer Center Gastric Cancer Team

Date : July, 2018

**Place: Yonsei Cancer Center,
Seoul, Korea**

I. Main Topics:

- Gastric cancer

II. Delegates: Medical oncologists, radiation oncologist, and surgeon

III. Activities:

1. Site Tour around Yonsei Cancer Center and some of the main departments (example: molecular pathology lab, radiotherapy, radiology ...)
2. Tumor boards: participate in one or more of Yonsei's tumor board sessions, with Yonsei's, visitor's cases
3. Case discussion in multidisciplinary clinic: Visitors can bring clinical cases for discussion. Incorporate Yonsei's medical oncologists, radiotherapists, gastroenterologist, pathologist, and surgeons for this session.
4. OR visit: for gastric surgery including robotic and open surgery
5. Gastric cancer clinic visit: Spend some time with Korean expert and see how it is in your practice
6. Round table discussion-hot topics guidelines (Palliative chemotherapy, neo-adjuvant chemotherapy, adjuvant chemotherapy)
7. Clinical and Translational research: Introduction and free discussion for the research and future collaboration.

Topics

Gastric cancer:

1. Neoadjuvant and adjuvant chemotherapy
2. Palliative regimens and clinical trials (Phase I)
3. Conversion surgery
4. D2 surgery
5. ESD (endoscopic submucosal dissection)
6. Radiotherapy
7. Helicobacter
8. Translational research

Day 1

| | | |
|-------------|---|--|
| 8:00-8:30 | Welcome Address Sung Hoon Noh (Director, Cancer Center) Program Introduction Prof. Hyun Cheol Chung | B2 Seminar room |
| 8:30-9:00 | Surgery Lecture “Open gastrectomy of Yonsei”, Surgical Oncology) Prof. Sung Hoon Noh | B2 Seminar room |
| 9:00-12:00 | 1> Site visit- Surgical Oncology: Pre-op care/post-op care Prof. Taeil Son. | 6 th floor, Operation unit |
| | 2> Rounding/Gastric cancer clinic- Medical Oncology Prof. Hyo Song Kim, Prof. Seung Hoon Beom | 4 th floor, OPD of Medical Oncology |
| 12:00-13:00 | Lunch Prof. Hyo Song Kim, Prof. Seung Hoon Beom, Prof. Beo Deul Kang | 7 th floor, Restaurant |
| 13:00-13:30 | Multidisciplinary clinic (Gastric Cancer Center) Gastric MDT members | 3 rd floor, conference room |
| 13:30-15:00 | ESD: Lecture and site visit (Gastroenterology) Prof. Jun Chul Park: Lecture” Endoscopic Treatment for Early Gastric Cancer” ESD observation | Endoscopy Unit, Severance Hospital Main Building (4 th floor) |
| 15:00-16:30 | Introduction of gastric cancer treatment in Visitor’s country/Case discussion (stage IV) | B2 Seminar room |

Day 2

| | | |
|-------------|--|---|
| 8:00- 8:30 | Surgery Lecture “MIS gastrectomy of Yonsei”, Surgical Oncology) Prof. Taeil Son | B2 Conference room |
| 8:30-12:30 | Robotic surgery site visit-Surgical Oncology Prof. Woo Jin Hyung | 6th floor, Operation unit |
| 9:00-10:30 | Radiotherapy: lecture and site visit (Radiation Oncology) Prof. Jinsil Seong Lecture “Introduction of Radiation Oncology in YCC/Site visit” | B2 Conference room (lecture) Department of Radiation Oncology (site visit) |
| 10:30-12:30 | Palliative regimen and clinical trial (Medical Oncology) Prof. Seung Hoon Beom: Lecture “Current practice and clinical trials”/Case discussion of metastatic gastric cancer (YCC cases) | B2 Seminar room |
| 12:30-13:30 | Lunch Prof. Hyo song Kim, Prof. Seung Hoon Beom, Prof. Beo Deul Kang | 7th floor, Restaurant |
| 14:00-15:30 | Molecular Pathology: Prof. Jeong Hyeon Jo: Lecture “Classification of Gastric cancer: Beyond histologic classification” Lecture/Case review/Q&A/Site visit | B1 floor, Department of Pathology, Chechungwon |
| 15:30-17:00 | Translational research (Surgical Oncology) Prof. Jae Ho Cheong: Lecture “Patient-centric translational cancer research: toward precision medicine for stomach cancer/Q & A/ Site visit | Conference room 206, ABMRC, 2 nd floor |

Day 3

| | | |
|-------------|--|--|
| 08:30-10:00 | Gastric cancer- neoadjuvant Round table discussion (presented by Visitor and Yonsei members) (Medical Oncology) Prof. Hyo Song Kim/ “Neoadjuvant Clinical Trials/Case discussion (YCC and Visitor’s cases)” | B2 Seminar room |
| 10:00-11:30 | Clinical research (Surgical Oncology) Prof. Hyoung-II Kim Lecture “Clinical trials for gastric cancer in surgical department” | B2 Seminar room |
| 11:30-13:00 | Gastric cancer- Adjuvant Round table discussion (presented by Visitors and Yonsei members) with Lunch Prof. Hyun Cheol Chung Adjuvant Clinical Trials/Case discussion of stage II and III gastric cancer (YCC and Visitor’s cases) | B2 Seminar room |
| 13:30-15:00 | Translational research (Medical Oncology) Prof. Sun Young Rha: Lecture “Translational Research in Gastric Cancer” | B2 Conference room |
| 15:00-16:00 | Wrap-up and Group photo | Conference room (2 ND floor) & 3 rd floor Lobby |
