SPEAKERS AND MODERATOR

Prof. Stefano Cascinu,

M.D.
San Raffaele Hospital,
Milan, Italy

Prof. Cascinu is a Full Professor of Medical Oncology at the University Vita e Salute and Director of the Comprehensive Cancer Center at IRCCS-San Raffaele Hospital, Milan, Italy. Prof. Cascinu is a member of several societies including the Italian Association of Medical Oncology. He served as President (2011-2014) and previously on its Board of Directors twice (1995-1999) and as General Secretary (2005-2007); the European Society of Medical Oncology; the American Association of Clinical Oncology and the American Association of Cancer Research

Prof. Sun Young Rha,

M.D., PhD.
Yonsei University College
of Medicine, Seoul, Korea

Prof. Rha is a Professor of Medical Oncology and Internal Medicine at the Yonsei University College of Medicine, Seoul, Korea. Prof. Rha is a member of several societies including the Korean Association of Medical Oncology. She serves as Director of the Human Research Protection Center at Severance Hospital (since 2009) and Chief of the Division of Genomics and Translational Research Cancer Metastasis Research Center at Yonsei University College of Medicine (since 2006).

Dr. Ian Chau

M.D.
Royal Marsden Hospital,
London & Surrey, UK

Dr. Chau is a Consultant Medical Oncologist within the Gastrointestinal and Lymphoma Units at Royal Marsden Hospital and Reader at the Institute of Cancer Research, London & Surrey, UK. He is the chief or principal investigator of multiple phase I, II and III clinical trials evaluating novel treatment strategies and agents in various cancer signaling pathways. Dr. Chau serves on several committees including the American Society of Clinical Oncology Scientific Program Committee and the European Society of Medical Oncology Congress Steering Committee.
